

COMMUNAL POOLS

RESOLUTION SLT/1934/2021, OF JUNE 18, EXTENDING AND MODIFYING THE PUBLIC HEALTH MEASURES FOR THE CONTAINMENT OF THE EPIDEMIC OUTBREAK OF THE COVID-19 PANDEMIC IN THE TERRITORY OF CATALONIA.

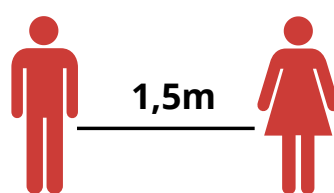

CAPACITY

The **maximum permitted capacity shall be 70%**. Sports facilities and equipment may be opened and used as long as it is guaranteed that the percentage of authorized capacity will not be exceeded, which is 70% in outdoor facilities.

GROUPS

Although the limitation concerning the **maximum number of people (10) at social meetings** has been cancelled, it is still a **recommendation**.

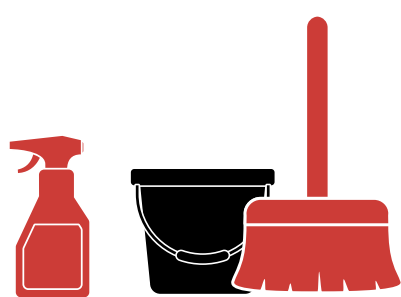

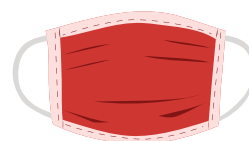

SPACE

Maintain the **physical interpersonal distance** (also applicable to swimmers) of **1.5 meters**, with the equivalent of a safety space of 2.5 m² between non-cohabitants.

MASK

Use the mask when entering and leaving the premises.

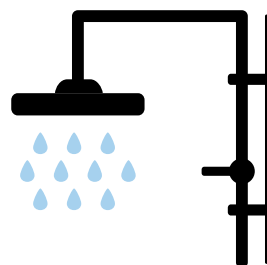

CLEANING AND DISINFECTION

Reinforce the cleaning and disinfection of the facilities with special attention to **showers and footbaths**, always guaranteeing their sanitary and hygienic condition.

SHOWERS

The use of **outdoor** showers and foot-washing facilities is permitted.

POSTERS

Post **signs with hygiene and safety measures** and make permanent reminders to users.
